

PRESS RELEASE

6 June 2022

Eurosatory 2022: Luxembourg inaugurates its first national pavilion at world's leading international exhibition for defence and security

From 13 to 17 June 2022, the [Luxembourg Chamber of Commerce](#), in close collaboration with [Luxinnovation](#) and the Directorate of Defence, will organise the first ever Luxembourg national pavilion at Eurosatory 2022, the world's leading international exhibition for defence and security.

The Luxembourg national pavilion at Eurosatory 2022 will include 5 companies exhibiting ([Euro-Composites](#), [Luxgovsat](#), [Rheagroup](#), [Saturne Technology](#), [SES Astra](#)) and 10 companies represented ([Amphinicy](#), [Flenhealth](#), [Gradel](#), [Hitec](#), [Kleos](#), [Lifteurop](#), [Luxtrust](#), [Molecular Plasma Group](#), [No-Nail Boxes](#), [Oikos-Concept](#)). Companies will present their innovative solutions in Hall 5A, Stand F768.

2 other companies from Luxembourg will also participate in Eurosatory 2022: [ActInBlack](#), in Hall 5A, Stand B357, and [Faymonville](#), in Hall 6, Stand C698.

As a sign of the strong interest of Luxembourg companies for Eurosatory 2022, an incoming delegation of 7 additional Luxembourg companies will be organised 15-16 June 2022: [Aero-Design](#), [Arvicom](#), [C43B - Consulting for Business Building Blocks](#), [Ceratizit](#), [EmTroniX](#), [Hard Material Technologies](#), [Sparc Industries](#).

For more information about Eurosatory 2022, also for press and visitors, please see www.eurosatory.com.

We look forward to seeing you there!
